

MEMORANDUM

Date: November 25, 2014
To: Esteban Almanza, Acting Director
From: Angel Carrera, Branch Chief
Subject: Executive Summary: Fiscal Year 2013-14 Consolidated Annual Report

This executive summary provides an overview of the state's collective achievement in contracts with small business (SB) and disabled veteran business enterprise participation (DVBE) in fiscal year 2013-14. Mandatory departments achieved 28.35 percent in SB participation and 3.67 percent in DVBE participation.

In recent years, the state's achievements have been solely based on the achievements of departments under General Services' statutory purchasing authority. These departments became known as mandatory reporters. Departments that do not fall under General Services' delegated purchasing authority were designated as voluntary reporters. Statutorily exempt departments have never provided General Services a report, e.g. the California State Lottery.

The statistical data used to create the report comes directly from individual department's calculations. DVBE and SB total contract dollars are the same figures for most departments. The California Department of Corrections and Rehabilitation (CDCR) is the exception because of a statutory exempt for inmate day labor contracts and medical expenses. As a result, CDCR's DVBE total contract dollars are less than its SB total. Consequently, the state's DVBE total contract dollars will always be less than its SB total contract dollars. CDCR is the only department that has established contracting categories that are statutorily exempt from the report.

Statewide (mandatory and voluntary) departments spent over \$8.7 billion dollars in contract with over \$2.2 billion dollars to small businesses and over \$299 million dollars of its \$8.2 billion¹ to DVBEs. As a result, SBs and DVBEs participated in 102,480 and

¹ Public Contract Code Section 10115.11 exempts California Department of Corrections and Rehabilitation from DVBE participation for provision of inmate day-labor and medical expenses; therefore, the statewide contract dollars reported in the context of the DVBE program will differ from the statewide contract dollars reported in the context of the SB/MB program.

14,305 respective contracts. Statewide departments achieved 25.80 percent SB participation and 3.64 percent DVBE participation of its contracts. Mandatory departments achieved 28.35 percent in SB participation and 3.67 percent in DVBE participation.

Eighty percent of statewide departments reported compared to 79 percent in FY 2012-13. Departments with the highest dollar values dramatically affect the state's achievement of goals. The report also draws attention to mandatory departments that did not report and departments that General Services designated as voluntary reporters.

Small Business and Microbusiness Analysis

Departments that have been designated as mandatory reporters collectively reported contract participation of 28.35 percent. This is a 4.69 percentage point increase over last fiscal year. The top five mandatory reporting departments listed below made up 74 percent of mandatory contract dollars this year. The state's ability to meet or surpass the participation goal was directly correlated with top departments' ability to achieve the 25 percent goal. The top five mandatory reporting departments are:

Department	SB/MB Participation Achievement
Corrections and Rehabilitation, Dept. of	36.03 percent
Transportation, Department of	28.24 percent
Health Care Services, Department of	2.36 percent
State Hospitals, Department of	49.17 percent
Water Resources, Department of	19.79 percent

Two out of the top five departments above did not achieve the 25 percent SB/MB participation goal for both FY 12-13 and FY 13-14. In their Improvement Plans they stated reasons for their inability to achieve the 25 percent SB/MB participation goal.

Department of Health Care Services (DHCS) stated a lack of SB/MB vendors for large medical and dental service contracts. DHCS is the third largest mandatory reporting department based on contracting dollars. DHCS has three large multi-year service contracts with little to no SB/MB participation totaling \$988,380,157 spent during FY 2013-14. Achievement of future participation goals will be affected due to these multi-year contracts. Without including these contracts, DHCS would have achieved 31.25 percent SB/MB participation.

Department of Water Resources stated that few SB/MB vendors possess highly specialized expertise and capabilities needed to support extremely complex and technical hydroelectric infrastructure.

Disabled Veteran Business Enterprises Analysis

Departments designated as mandatory reporters collectively reported contract participation of 3.67 percent. This is a 0.64 percentage point increase over last fiscal year.

The top five mandatory reporting departments listed below made up 72 percent of contracting dollars this year. The state's decrease in participation is directly correlated with these top departments. The top five mandatory reporting departments are:

Department	DVBE Participation Achievement
Corrections and Rehabilitation, Dept. of	3.60 percent
Transportation, Department of	3.79 percent
Health Care Services, Department of	0.45 percent
State Hospitals, Department of	2.12 percent
Water Resources, Department of	2.62 percent

Three out of the top five departments above did not achieve the 3 percent DVBE participation goal. These three departments stated in their Improvement Plans that they are unable to achieve the 3 percent DVBE participation goal due to the lack of DVBE vendors for large medical/dental service contracts, hospital-related personnel services, and specialized hydro-electric equipment maintenance services.

Department of General Services Action

Annually, General Services implements various strategies to aid departments' achievement of contract participation goals. This year, General Services conducted 150 outreach events and worked in partnership with Department of Veteran Affairs (CalVet) to increase the number of certified DVBEs. During FY 2012-13 and the first quarter of 2013-14, General Services and Department of Veteran's Affairs held collaborative meetings to offer assistance and encouragement to six departments that did not achieve its SB or DVBE goals. These meetings were held with Air Resources Board, Cal Fire, California Energy Commission, Department of Child Support Services, Department of Health Care Services, and Department of Toxic Substances Control. Subsequent follow up meetings have been held to monitor progress on their Improvement Plans. All departments except Department of Health Care Services improved their SB/MB participation over last fiscal year. General Services recognizes the challenges departments encounter due to the lack of certified businesses in highly specialized medical and scientific fields. In most cases, these contracts are limited to accredited medical and science laboratories.

General Services' Small Business Advocates will continue to collaborate with Cal Vet's DVBE Advocates to encourage the top contracting departments towards achievement of goals. The target group will continue to be those departments with the largest contract dollars that did not achieve the minimum DVBE and SB participation goals. Each will be encouraged to adhere to Improvement Plans designed to promote achievement. General Services will continue to partner with departments to promote opportunities for certified firms and to encourage other businesses to become certified firms. In addition, ongoing public education will be maintained as a viable stimulus for the certification programs.

The minimum goals of 25 percent SB/MB and 3 percent DVBE are respectively established by the Governor's Executive Order S-02-06 and the Military and Veterans Code (MVC). The statutory requirement for the minimum 3 percent DVBE goal is cited in MVC Sections 999.(a), 999.1(a), 999.2(a), and Public Contract Code Section 10115.(c).

The report contains the following contracting activities:

- SB/MB and DVBE Contracting Activity
- Consulting Services Contracting Activity
- SB/MB & DVBE Option and DVBE Incentive
- SB/MB and DVBE Participation in Infrastructure Bond Acts of 2006
- Ethnicity, Race, Gender, and Sexual Orientation State Contracting Activity

SMALL BUSINESS AND MICROBUSINESS PARTICIPATION

Departments whose purchasing authority General Services controls reported contract participation of 28.35 percent. This is a 4.70 percentage point increase over last fiscal year:

The top five departments listed above had a substantial impact on the SB/MB participation. These departments made up 73.86 percent of all contract dollars FY 2013-14. The chart below compares these five departments participation to the prior year:

Departments	FY 2012-13 SB/MB Participation	FY 2013-14 SB/MB Participation	Variance

State Hospitals, Department of	43.03%	49.17%	6.14%
Water Resources, Department of	20.80%	19.79%	-1.01%

SB/MB participation increased for three out of the top five reporting departments. The state's ability to meet or surpass the participation goal is directly correlated with top department's ability to achieve or exceed the 25 percent goal.

Two out of the top five departments did not achieve the 25 percent SB/MB participation goal. In their Improvement Plans they stated reasons for their inability to achieve the 25 percent SB/MB participation goal.

Department of Health Care Services (DHCS) stated a lack of SB/MB vendors for large medical and dental service contracts. DHCS is the third largest mandatory reporting department based on contracting dollars. DHCS has three large multi-year service contracts with little to no SB/MB participation totaling \$988,380,157 spent during FY 2013-14. Achievement of future participation goals will be affected due to these multi-year contracts. Without including these contracts, DHCS would have achieved 31.25 percent SB/MB participation.

Department of Water Resources stated that few SB/MB vendors possess highly specialized expertise and capabilities needed to support extremely complex and technical hydroelectric infrastructure.

While this narrative identifies these significant departments, SB/MB participation achieved by all reporting departments is provided in the report's data tables starting on page 12.

SMALL AND MICROBUSINESS CONTRACTING ACTIVITY

The state exceeded the 25 percent participation goal for Non-IT Goods by 12.19 percentage points, Non-IT Services by 1.63 percentage points and IT Goods & Services by 3.42 percentage points. On the contrary, Construction missed the goal by 0.24 percentage points. Over 55 percent of the total contracting dollars were spent on Non-IT Services which did achieve the SB/MB 25 percent participation goal:

The top five departments listed above had a substantial impact on DVBE participation. These departments made up 71.73 percent of all contract dollars for FY 2013-14. The chart below compares these five departments participation to prior years:

Departments	FY 2012-13 DVBE Participation	FY 2013-14 DVBE Participation	Variance
Corrections & Rehabilitation, Dept. of	3.12%	3.60%	0.48%
Transportation, Department of	1.96%	3.79%	1.83%
Health Care Services, Department of	0.96%	0.45%	-0.51%
State Hospitals, Department of	0.83%	2.12%	1.29%
Water Resources, Department of	3.40%	2.62%	-0.78%

DVBE participation increased for three of the top five reporting departments over last fiscal year. For FY 2013-14 three out of the top five departments did not achieve the 3 percent DVBE participation goal. These three departments stated in their Improvement Plans that they are unable to achieve the 3 percent DVBE participation goal due to the lack of DVBE vendors for large medical/dental service contracts, hospital-related personnel services, and specialized hydro-electric equipment maintenance services.

While this narrative identifies these significant departments, DVBE participation achieved by all reporting departments is provided in the data tables starting on page 19.

DISABLED VETERAN BUSINESS ENTERPRISE CONTRACTING ACTIVITY

The 3 percent participation goal for Non IT Goods was exceeded by 2.89 percentage points, Construction by 1.93 percentage points, and IT Goods & Services by 4.08 percentage points. On the contrary, Non-IT Services missed the goal by 1.32 percentage points. Over 51 percent of the total contracting dollars were spent on Non-IT Services which did not achieve the DVBE 3 percent participation goal:

DISABLED VETERAN BUSINESS ENTERPRISE BY INDUSTRY

In 2013-14, there were 1,537 certified DVBEs. Following is a breakdown by business type and industry. As some DVBEs are active in more than one industry, the firm count by business type is not equal to the total number of firms listed in each industry. Approximately 90 percent $([90+1,289]/1,537)$ of DVBEs were also certified as SB/MB, see breakdown below:

SMALL BUSINESS AND DISABLED VETERAN BUSINESS ENTERPRISE OPTION AND DVBE INCENTIVE

Government Code Sections 14838.5(a) and 14838.7(a) authorize the SB/DVBE Option procurement method. State departments may use the SB/DVBE Option by contracting directly with SB or DVBE firms for goods, services and information technology after obtaining price quotes from at least two such firms. This option applies for contracts greater than \$5,000 and less than \$250,000, and up to \$281,000 for public works contracts.

SMALL BUSINESS AND DISABLED VETERAN BUSINESS ENTERPRISE OPTION AND DVBE INCENTIVE

Statewide departments (both mandatory and voluntary categories) reported 66.91 percent (93 of 139) usage of the SB/DVBE Option. Additionally, 21.58 percent (30 of 139) reported usage of the DVBE Incentive. Departments collectively reported the following Option and Incentive dollars and contracts:

SMALL BUSINESS AND DISABLED VETERAN BUSINESS ENTERPRISE PARTICIPATION IN INFRASTRUCTURE BOND ACTS OF 2006

Effective August 1, 2009, Chapter 611, Statutes of 2007 (AB 761) requires the General Services to report on small business (SB) firms, and those businesses designated as a microbusiness (MB), participating in the construction of the state's infrastructure. State departments are required by statute to report to General Services the Infrastructure Bond (I-Bond) funds applied to the following Bond Acts:

- Highway Safety Traffic Reduction, Air Quality and Port Security
- Housing and Emergency Shelter Trust Fund
- Kindergarten-University Public Education Facilities
- Disaster Preparedness and Flood Prevention
- Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection

Each department, as defined, was to establish a 25 percent SB/MB participation goal in all contracts it financed with the proceeds of I-Bond funds. State departments that did not meet their I-Bond SB/MB participation goal must submit a plan of action to General Services for achieving its future participation goals.

ETHNICITY, RACE, GENDER, AND SEXUAL ORIENTATION

This report does not reflect the overall contracting and purchasing activity of spending departments. PCC Section 10111(f) requires departments to report the race, ethnicity, gender, and sexual orientation of business owners who voluntarily report this information. The ethnicity classification data is reported as defined in PCC Section 2051(c). To accomplish this, spending departments are required to send a Voluntary Statistical Data Sheet (VSDS) to every business owner who receives a contract. Departments continue to report that many VSDS forms are not returned by business owners.

ETHNICITY, RACE, GENDER, AND SEXUAL ORIENTATION ACTIVITY (ERGSO)

The ERGSO Report captures the ethnicity, race, gender, and sexual orientation classifications for the categories of goods, services, and construction. As a result, the same contract may be reported in more than one category. As an example, a business owner may indicate gender classifications and also ethnicity or race classifications for a contract. When multiple boxes are selected by the business submitting the VSDS, it is unclear if the preparer is reporting these categories for the owner, the owners, or a combination to include their employees.

For statewide departments, 75 percent (139 of 185) submitted the Ethnicity, Race, Gender, and Sexual Orientation (ERGSO) report; and, 72 of these departments communicated that they had nothing to report.
